

Transform Scotland Vacancy - Board members required!

Transform Scotland is the national alliance for sustainable transport, bringing together organisations from the private, public and voluntary sectors. We are widely acknowledged amongst our peers for our expertise in and commentary upon sustainable transport issues (e.g. walking, cycling & public transport).

We are now looking to co-opt up to three additional board members. The individuals we would like to recruit would have expertise in one or more of the following areas:

- Charity governance, including charity & company law.
- Revenue generation, in particular on social enterprise & consultancy.
- Financial planning.
- Human Resources management.

Board members will be expected to attend Board meetings (four times per year). The positions are not remunerated but expenses are reimbursed.

Our ideal candidates would also have a good all-round knowledge and experience of campaigning in the UK, and have a background in transport or related fields.

Transform Scotland is constituted as both a limited company and as a registered Scottish charity, and successful candidates would become company directors and charity trustees.
