

City Centre West to East Cycle Link and Street Improvements – Update 10

April 2018

Project Updates

This is the tenth CCWEL update. These are issued regularly to keep all stakeholders up to date. When construction commences on site (expected 2019), updates will be issued more frequently with details of construction and traffic management.

Further information on CCWEL is available here:
<http://www.edinburgh.gov.uk/CCWEL>

Roseburn to Haymarket TRO & RSO Consultation Goes Live Today

The statutory consultation for CCWEL Section 1 between Roseburn and Haymarket launched today.

This public consultation will run for four weeks until Friday 18 May. During which time the project designs will be available online and local residents, businesses and anyone else interested in the project will be able to make their comments by emailing the Traffic Orders team at trafficorders@edinburgh.gov.uk.

You can send in objections to the project, letters of support, or make comments on aspects of the design.

Please ensure that you include:

- Your full name and address (home or business)
- The Order Number: TRO/17/91; RSO/18/05

After all comments have been received on Friday 18 May we will respond to all submissions, and report on the consultation to the meeting of the Transport and Environment Committee on 20 June. The Transport and

Environment Committee will then decide whether to approve the TRO and RSO proposals.

Public Drop-In Sessions

We had over 190 attendees across two public drop-in sessions on Tuesday and Thursday this week. The sessions were held in Roseburn and Haymarket to enable people to view the proposals and find out more about the project.
