4) Membership Benefits

Transform Scotland campaigns for a society where everyone can have their travel needs met within the limits of a transport system that is environmentally sustainable, socially inclusive and economically responsible.

Transform Scotland works with our Members; with decision-makers in the public, private and voluntary sectors; and with Government at all levels. We work across all sectors and areas of sustainable transport.

Our campaigns include:

- Research into all aspects of transport, making the case for change.
- Project work highlighting the practical benefits of sustainable transport.
- Conferences and events bringing together key stakeholders.
- A wide range of publications to influence policy at all levels.
- Speaking out through the media that sustainable transport delivers on all economic, social and environmental grounds.

Membership benefits include:

- Being part of the national sustainable transport alliance.
- Networking opportunities / regular member / supporter events.
- Influential campaigning on relevant issues – high benefits of campaigns work.
- Independent research carried out on relevant topics.
- Inclusion on our website and publications.
- Events and publications across all areas of sustainable transport.
- Opportunity for collaborative media and PR work, to generate stronger coverage.
- Opportunity for providing political influence, furthering Member objectives.
- Provision of independent, high quality specialised consultancy services.
- Opportunity for branded specific projects with key supporters / funders.
- Opportunity to sit on the Transform Scotland Board of Directors.

5) Declaration

We the undersigned support Transform Scotland's vision for a society where everyone can have their travel needs met within the limits of a transport system that is environmentally sustainable, socially inclusive and economically responsible. I am authorised to apply for Membership on behalf of the above organisation / company.
